## So Long Summer!

Wow! It's hard to believe that school will be starting again soon. What an interesting summer it has been but we made it through. We enjoyed our summer themes and water fun days. The last day of summer camp will be Thursday, August 20th. **Please be sure all accounts are paid in full by your child's last day of attendance.**

Bloomer lunch ended July 31st. A sack lunch including drink will be needed every Tuesday and

Friday and the last day of camp, Thursday, Aug. 20th. Heartland will be serving lunch all the other days.

Monday, August 17th will be doing a bike rodeo day. Students may bring a bike or scooter from home that day. We will be riding them in our blocked off parking lot.

For those who will be staying on through the school year we will be closed on Friday, August 21st to prepare for

the new school year. School starts on Monday, August 24th.

## Miscellaneous ...

Last but not least, a big **thank you** to all the families who joined us this summer. We realize there are many programs to

choose from and feel privileged that you have chosen Heartland. Hope to see you again next summer. Have a great

school year!
